### - Vineet Pandey's Message -

I came from a small town with a dream of qualifying UGC NET exam. I neither had resources nor guidance. I could have given up but it was my dream that kept me going on and on. I faced every possible hardship that a student faces in his life. That is when I decided to create a platform for students like me who are struggling to seek that one ray of sunshine that will help them to shine like a diamond. That sunshine is the presence of a teacher. I founded Vineet Pandey's Classes with a mission of reaching out to all those students who dream of NET JRF and are searching for the right path to achieve their dream. I see myself in every hardworking student and I ensure you that I will help you to the best of my capacity to shape your future. Dreams are meant to be fulfilled and it's my dream to fulfill your dream of qualifying the UGC NET exam.
